

# LME Discussion Paper 2017: Introduction

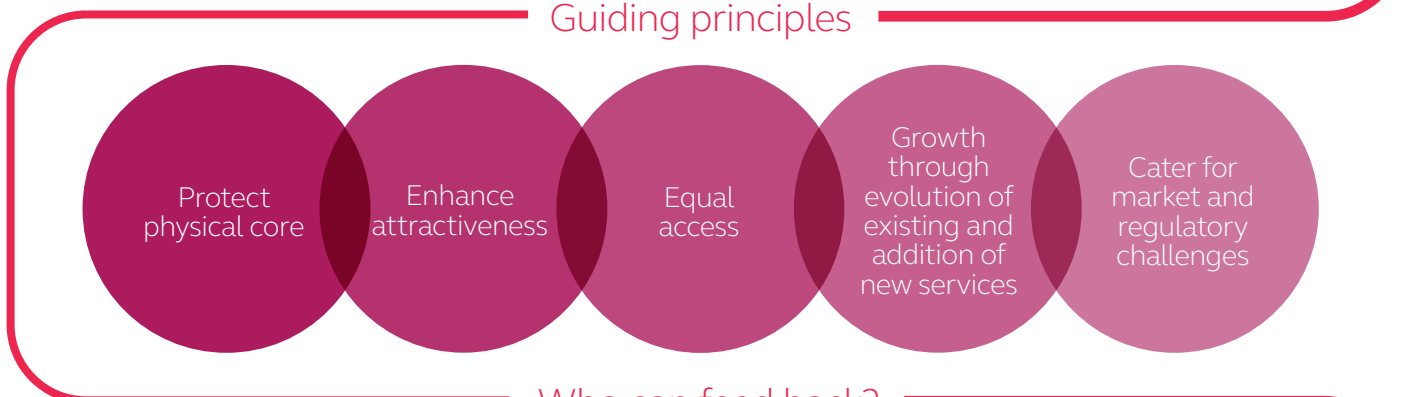

## What's in the Discussion Paper?

The Discussion Paper provides our analysis of the LME's current structure and role in global markets and seeks feedback from our entire spectrum of users. The ultimate aim of the Discussion Paper is to work with our market to inform the LME's strategic direction, resulting in a more accessible and efficient trading platform while respecting our physical roots. It covers six areas:

### Structure of discussion

### Guiding principles

### Who can feed back?

### Discussion timeline

### Feedback

Contact Georgina Hallett to submit feedback or arrange a meeting – deadline 30 June 2017:
