That's a wrap! A look back at LME Asia Week 2024

We were delighted to welcome so many delegates together with our speakers, sponsors and guests to LME Asia Week 2024. A big thank you to all of you who made the trip and joined us at any of our events – the VIP cocktail reception, the LME Asia Metals Seminar and the LME Asia Dinner – we look forward to seeing you again next year.

If you couldn't make it to Hong Kong this year or you would like to watch the seminar sessions again, they are now available on our website together with a selection of speaker presentations.

Launch of LME Week 2024 sponsorship and super early bird tickets

Yes, we are already looking ahead to LME Week 2024! It all kicks off with the LME Metals Seminar, taking place this year on Monday 30 September at the QEII Centre in London. The seminar offers in-depth discussions on key themes in the global metals community, including the ever-popular industrial metals outlook.

Sponsorship packages for the seminar are available, and super early bird delegate tickets are on sale, so register now to secure your spot.

LME sponsors ISTA awards for steel traders and brokers

We are delighted to be sponsoring the brand new ISTA Steel Derivatives Broker Award in addition to the ISTA Steel Derivatives Trader Award, which debuted last year.

The awards recognise those individuals trading or broking steel derivatives at ISTA member companies.

The award winners will be announced at ISTA's Annual Lunch on 6 December 2024.

The Copper Mark fully approved as responsible sourcing Track A standard

The Copper Mark's Joint Due Diligence Standard has been fully approved as a Track A standard by the LME. The work that The Copper Mark has done over the past few months means that this standard is now considered fully aligned to OECD responsible sourcing guidance.
