

LME Asia Metals Seminar – full agenda announced

With LME Asia Week fast approaching, we are pleased to announce the full agenda for this year's LME Asia Metals Seminar on 27 June.

Latest confirmed speakers include the Honourable Paul Chan Mo-po, Financial Secretary of the Government of the Hong Kong Special Administrative Region, who will deliver the opening remarks; and Xiaochong Ming, CEO, Longrun Financial Group Limited, who is joining the "Trading the markets: evolving market dynamics" panel.

CBAM consultation and broader sustainability discussion paper – feedback deadline 14 June

There are just a few days left to send in your feedback on our sustainability consultation and discussion paper, which seek views on proposals designed to both meet the challenges of upcoming regulatory changes and support the metal industry’s progress towards a more sustainable future. The feedback period ends at 17.00 BST on Friday 14 June.

LME webinar replay – “Green nickel: the importance of harmonised carbon assessments”

We recently hosted a joint webinar with Metalshub and the Nickel Institute discussing “green” nickel and how best to establish sustainability-related nickel pricing differentials. In case you missed the webinar, you can watch the replay [here](#).

Sustainability Spotlight

The latest edition of the Sustainability Spotlight newsletter is now available. It explores the latest LMEpassport developments, brand compliance results following recent responsible sourcing deadlines, and a piece from guest writer, Anastasia Kuskova, on the potentially transformative impact of AI in the metals and mining sector.
